SPONSOR AT [GIVEBUTTER.COM/FIRSTFRESHDAY](https://givebutter.com/firstfreshday)

Dear Community Partner,

Positive Pursuits is excited to partner with Londyn's Studio to host the #FirstDayFresh Back-to-School Event on Saturday, August 8, from 10:00 AM to 6:00 PM in Grand Prairie, Texas.

Our goal is to help students start the school year feeling confident, prepared, and supported. While many community resources exist, not every family has access to them or knows where to find help. This event will provide school supplies, affordable hair services, and connections to local resources for families in need.

The need is great. More than 64%–77% of Grand Prairie ISD students are economically disadvantaged, approximately 73% qualify for free or reduced-price lunch, and families spend an average of \$875 per child on back-to-school expenses. Nearby Dallas ISD also serves a high number of families experiencing financial hardship.

Event Highlights	Event Location
Backpack and school supply giveaway (while supplies last)	2905 Arkansas Lane, Suite 108
Student and staff haircuts	Grand Prairie, TX 75052
Discounts on braid styles and sibling appointments	Natasha Nash-Owner
School supply donation drive	(214) 412-3812
Community resources for families	https://www.londynsstudio.com/

We are inviting businesses, churches, organizations, and community leaders to partner with us by:

- Sponsoring backpacks or school supplies
- Making a monetary or in-kind donation
- Volunteering at the event
- Sharing this event with your network

Your support will help ease the financial burden on local families and ensure students begin the school year with the confidence and resources they need to succeed.

Thank you for considering this opportunity to invest in our youth and strengthen our community. We look forward to partnering with you to make a lasting impact through the #FirstDayFresh Back-to-School Event.

Location: 2905 Arkansas Ln., Ste 108, Grand Prairie, Texas 75052

Why Sponsor This Event?

- Grand Prairie and Dallas offer various events and programs to address these needs, but we know there are students and families that may not have knowledge or access to these resources.
- More than 64%-77% of students in GPISD are classified as 'economically disadvantaged' and about 73% qualify for free or reduced lunch across their school campuses (Texas Tribune).
- \$875 average back to school expenses with over 41%-90% poverty-stricken, and multi-student family homes (GPISD).
- Surrounding communities also show a high need for resources. Dallas ISD is a 'community eligible provision (CEP)' district and serve free meals to a 100% of their students due to high poverty areas.

We serve 400-500 clients monthly and hope to bridge the gaps and support these efforts through our event.

Your support is paramount and would achieve organizational & community aims through:

- **Direct Community Impact:** Your sponsorship helps ensure every child starts school with the tools they need to succeed.
- **Brand Visibility:** Reach hundreds of families and community members throughout Grand Prairie and surrounding areas.
- **Positive Publicity:** Show your commitment to education and community well-being.
- **Networking Opportunities:** Connect with other local businesses, families, and community leaders.
